

Holiday

GIFT GUIDE

Why thrift **YOUR GIFTS?**

1

YOU SAVE MONEY: Thrifting your holiday gifts is a great way to cut costs during this expensive time of year without sacrificing quality.

2

YOU HELP THE ENVIRONMENT: By buying items that are gently used, you're saying no to fast fashion and keeping those items out of the landfill.

3

YOU HELP OUR COMMUNITY: The money we make from selling donated goods funds job training, employment services and more, which are offered free of charge for people right here in our community.

About **THE GUIDE**

All of the items shown in the 2025 holiday gift guide were found at our Shopton Road store during a single shopping trip.

We hope this guide will inspire you to shop secondhand for some of your gifts this holiday season. Items from Goodwill are truly gifts that keep on giving!
